Task Is Difficult.

Task is Difficult task confronted the world. The statesmen who made the congress of Vienna could settle the question at lisue between France and the rest of Europe, but they could not reorganize Eastern and Southern Furope. The congress of Berlin could prevent war between Russia and Britain and Austria, but it could not erect a stable edifice in the Balkans and its failure in the Balkans produced the world war, just as the failure of the congress of Vienna to do justice in the Italian peninsula produced the series of wars which resulted in the liberation of Italy, only complete when reation of Italy, only complete when cration of Italy, only complete when Trieste and the Trentino are added to the dominions of the house of Savoy. HUN ENVOY SEEKS TO CONFER WITH AUSTRIANS

PARIS, May 18.—It developed this afternoon that Count von Brockdorif-Rantxau, head of the German peace delegation, intended to ask permission to send German delegates to receive the Austrian representatives, according to the Havas agency. It has previously been announced that the allies intended to keep the delegations wholly apart.

The German plenipotentiaries were reported today to be preparing a formal request that they be alldwed to communicate with the Austrian delegates to the peace conference during the negotiations.

Activities Among Memphis Negroes BY REV. T. O. FULLER.

The Federation of Colored Women's Clubs will hold its regular monthly meeting at the residence of J. W. Sanford, on Lauderdale atreet, Tuesday evening. Besides the regular business, this meeting will include other enjoyable features, and a number of friends have been invited to be present.

One of the big features of the great centennial celebration among colored people will be a historical and educa-tional program at Church's auditorium. Besides local talent, a speaker of na-tional reputation will be secured. Dr. T. C. Fuller will head a committee which will look after this feature.

The home registry bureau of the Memphis League of Social Agencies. Beale avenue, would like to secure the names and location of all colored people who have rooms, rooms and board accommodations for light housekeeps for colored people, either temporary permanent. service in the medical department of the army, gives first praise to the fine spirit of sacrifice shown by the young women nurses who volunteered for work in the hospitals overseas.

"These nurses worked as hard or harder than any of the men," he said Tuesday. "Their hours were long, the work was arduous, their duties kept them under a constant strain seven days in the week, yet they never complained, either at the long hours or the privations they had to endure. They neither asked nor received any favors on account of their sex. And their work was aiways efficiently done."

Dr. Ellett also said that be believed full meed of praise had not been given to the work of the divilians who remained at home, shouldering the burden of the war in scores of ways and doing their duty just as fully as did the men who were in the fighting lines overseas.

He also said that he, as well as

who were in the fighting lines overseas.

He also said that he, as well as
every other man who was abroad long,
noticed the change in the young men
who were drawn from civilian life into
the army. He has had long hospital
experience in this country, but he said
it was noticeable that the wounded soldiers hore every pain and every discomfort uncomplainingly and with the
finest spirit of patriotism.

Dr. Ellett volunteered in October, 1917,
and was first stationed at Camp Meade
and afterward aided in organizing base

LADIES! DARKEN

Use Grandma's Sage Tea and Sulphur Recipe and Nobody Will Know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dult, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is mussy and out-of-date, Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.
